May 31, 2021. Memorial Day.

September 2021. Livingston Gen Mtg

President's Farewell Letter

Dear Friends and Colleagues:

It has been my honor to serve as your 2020-21 Washtenaw District Dental Society President. The uncertainty of this past year has highlighted the value of our interconnections in sharing information, processing news and considering strategies to serve our patients. I have relied on the advice and support of our dental community to help me through this year. I believe that organized dentistry has never been more relevant or essential to our community.

Although I missed socializing and making connections at our in person meetings and classes, Eric Brust was still able to offer a full slate of excellent classes and presentations through Zoom meetings. Looking to next year, our new program chair, Matt Healy, has a great CE line up. Please visit our website www.washtenawdentalociety.org to keep up to date on the latest news and CE schedule.

Ray Maturo, will be leaving the Board. I would like to extend our gratitude for all of his service to our community and dental education. Also, thank you to our current Board members: Eric Brust, Matt Healy, John Hamerink and Leen Khatib. I am especially grateful for the continued leadership of our Executive Director, Barb Kolling. Our society is so effective due to her hard work and dedication.

Leading as our president has been a rewarding experience and I recommend volunteering with WDDS to all members. It is a great way to meet colleagues and support our community. If you are interested in volunteering for the Executive Board or a WDDS committee, please contact any of us on the board or Barb Kolling.

Have a safe summer and we look forward to seeing you in the 2021-2022 year!

David Schmidt, DDS

At the close of this year, our Past President,

YOUR CONNECTION TO ORAL HEALTH*

Clinical and Radiographic Update on Head and Neck Neoplasms

Date/Time

03/09/2021

7:00 pm - 8:30 pm

Location

Live Webinar

Speaker

Macksood Aftab, DO,

MHA, ALM, CAQ;

Julianna Hukill, DDS, MS

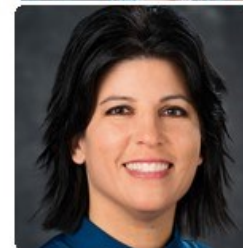

Fee: FREE**CE Credits:** 1.5

The Michigan Dental Association in conjunction with Genesee District Dental Society bring this live webinar to Michigan's local dental societies.

This webinar is a collaborative effort featuring Dr. Macksood Aftab, chair of the Department of Radiology at Ascension Genesys Hospital, and Dr. Julianna Hukill, a private practice oral surgeon in Grand Blanc. Together they will share their knowledge and clinical expertise in their respective areas. Ample time will be saved for Q&A at the conclusion of the presentations.

Learning objectives:

- Head and neck anatomy related to the oral cavity on cross sectional imaging.
- Relevant neoplasms, including appearance and staging of oropharyngeal cancer will be studied.
- Radiographic manifestation of advanced dental infections including sinus and salivary gland disease will be presented.
- Clinical aspects of various treatment pathways for such head and neck tumors and lesions as viewed by the oral surgeon.

Registration Instructions

NOTE: There is a two-step registration process for the live webinars:

STEP 1: Register through the MDA for tracking in your CE history.

STEP 2: Click the Zoom link found in the MDA email confirmation you receive to register for the Zoom webinar. **NOTE: The email confirmation from the MDA may go into your spam folder. To help avert this, please add postmaster@ADAWEB-01.TRIPARTITE.local to your safe sender list.**

You will then receive a link to join the webinar. Save it for joining the live webinar on the date it occurs.
